The **California Forest Pest Council** (CFPC) is an advisory committee to the State Board of Forestry and Fire Protection on forest pest matters. It comprises a diverse group of forestry professionals and others interested in the prevention of damage to forests from insects, pathogens, animals, weeds and pollution. Meetings are held throughout the state to discuss and evaluate current forest pest conditions. The annual meeting is the most important, providing the membership a chance to review what has happened in the last year, to formulate and vote on resolutions, and to address topics of special concern. Membership in the CFPC is granted to anyone attending. The CFPC is a 501(c)3 non-profit corporation (tax-ID 94-3248518).
